About Our Program

Cylburn Arboretum Friends' Nature Camp teaches children knowledge of and respect for the nature that surrounds them. Campers will explore our 200+ acres and learn about the plants, animals, fungi, and habitats they encounter.

We will spend our days at camp hiking the trails and partaking in environmental education lessons, activities, art, and group games. Our goals are to nurture a sense of wonder and curiosity about the natural world and to help children learn to be good stewards of their environment. This year, we are offering:

- **Two 1-week Mini camps for campers entering PreK through 1st grade (ages 4-6)**
- **One 2-week Elementary camps for campers entering grades K-5th (ages 5-10)**
- **Two 1-week Elementary camps for campers entering grades K-5 (ages 5-10)**
- **One 1-week Middle School camps for campers entering grades 6th-8th (ages 11-13)**

Cylburn's Nature Camp is under the care of Sinai Hospital should anyone need medical attention. The camper's medical form is shared with our nurse on call prior to the beginning of camp and all counselors are trained in administering first aid and CPR and will contact authorized medical personnel in the case of an emergency. In the event of a family emergency during camp hours, please contact the Cylburn Arboretum Friends office at (410) 367-2217, or directly notify a camp staff member.

Sun, Mosquitoes & Ticks

If you choose for your child to use sunscreen and/or insect repellent, please apply it prior to camp. Counselors will apply as needed with permission (see Registration and Waiver Form). Campers will be hiking through grass, wooded areas, and trails—all places where ticks may be found. While ticks have not posed a problem in the past, we ask that tick checks be done when campers return home each day.

Health and Wellness

The Maryland Department of Health Youth Camps Program regulates and licenses all youth camps in Maryland to protect the health and safety of kids attending Maryland youth camps. To ensure the health and safety of all campers, Cylburn Nature Camp has the following policies in place:

- Much of the camp day's schedule will be held outdoors, weather permitting.
- We are asking children to bring their own snacks, lunch, and refillable water bottles.
- We will provide hand sanitizer and will sanitize surfaces and supplies regularly.
- We ask that guardians screen their camper daily for symptoms of illness and keep their sick camper at home.
- We ask that all campers and camp staff be fully vaccinated against COVID-19.

Camper Behavior

Our camp environment is structured but relaxed. Campers will be informed of Arboretum rules and etiquette on the first day of camp. All campers are expected to respect each other, as well as the Arboretum's plants and wildlife. Disruptive behavior affects the fun, safety, and overall quality of the camp experience in the group. In the event of repeated misbehavior, camp staff will notify the parent/guardian and request that the camper be picked up or dismissed. No refunds will be given to campers who are dismissed.

Registration Policies

Online registrations will be processed as they are received and payment in full via the Eventbrite website is how a camper's place in the program is reserved. A completed Registration and Waiver Form will be emailed to you, and must be submitted within two weeks after an online registration has been completed in order to hold a camper's place in the program. Please email naturecamp@cylburn.org if you wish to be placed on a waiting list. Cancellations occasionally occur.
